Headteacher News :

Dear Parents,
Assemblies

This week our assemblies have covered the following:

Monday - Mrs Rosamond led a singing assembly.

Thursday - Mrs Rosamond led an assembly on the theme of 'What is a neighbour?' This explored who a 'neighbour' is and went on to look at a modern interpretation of the Bible story 'The Good Samaritan.'

Friday - Today my assembly looked at the question - 'Should children have social media?' We discussed that the UK government is considering changing the law to protect young people's mental health and safety online. We talked about what social media is and the positives and negatives of using it. We talked about staying safe online and only sending kind messages to others, who we know, in order to stay connected. We talked about how important it is to report anything that ever worries us online to a trusted adult.

Curriculum Enrichment

On Friday last week, our Year 5 children had a 'History to Life' experience which allowed them to fully immerse themselves in the life on Ancient Greece. The used artefacts to understand about life in the past complimenting their history learning in school. Many thanks to our PTA who fully funded the event and to parents for supporting PTA fundraising events which allow us to have such super learning experiences for our children.

Diary Dates

Friday 13th February - school finishes for half term and returns on Tuesday 24th February

Monday 23rd February - INSET Day - School closed for pupils.

Class News:

Year 5

Really impressed with the progress Year 5 have made in Basketball this half term. Well done Year 5! Mrs Douglas.
