Class News:

EY2

All things 'hedgehog' in EY2 this week. Snipping and printing for finger strength and pencil grip. Bread making to make yummy hedgehogs to take home. Mrs Rosamond

Year 2

Year 2 enjoyed their Science investigation this afternoon. Our enquiry question was 'Do our feet get bigger as we get older?' The children showed excellent measuring skills and they were able to record their results during the lesson. Well done! Miss Reid

Year 4

Year 4 have created some fantastic paper sculptures in art. They have practised rolling, tabs, spirals, folds, curls, fringes and cones. We will then apply these skills to making an Egyptian necklace.

Miss Brook

Year 5

Well Netherton Evacuation Centre 2070 certainly did a great job with the evacuees on Friday last week. They all had a go at cooking WW2 recipes, making air raid shelters, dancing and making a gas mask. All evacuees and officers were very efficient at reacting to the air raid siren that just kept going off all day. A huge thanks to the parents and past pupils that gave up their time to support the event. A huge thank to the kitchen team for providing a fabulous WW2 themed lunch.

Mrs Douglas

Craft Club News:

We have had a great series of craft club sessions this half term and had lots of children attending.

We have made Autumn wreaths and Halloween paper bags. Many thanks to Mrs Ingle who kindly helped me! We will look to split the sessions into Key Stages next half term as we complete Winter/Christmas crafts and activities. Miss Haley & Mrs Ingle
